New from Rug One Imports is "Panacea," a powerful package of transitional/traditional designs to compliment their already popular area rug, runner, and broadloom coordinated assortment. Panacea, our newest introduction in the crossover arena is possibly our most beautiful introduction ever.

Panacea is power-loomed in Belgium. Woven Wilton face to face construction, these designs boast more than 20 colors in each individual area rug, runner, or wall to wall carpet, all of which are matching to one another.

Panacea is constructed of 100% Belgotex high performance heatset polypropylene. Six patterns, in multiple colorways, embody the program. *Each is available in 4 standard sizes of area rugs, 2 widths of roll runners, and wall to wall carpet. Cut pile, million point construction assures quality and affordability for consumers desiring highly decorative soft floor covering.

*Pattern 6501 available as area rugs only
